PB4L Focus – Completing *All* Tasks to the Best of my Ability

In all situations students will:

- Listen to all instructions
- Have eyes on the speaker during instructions
- Be engaged in the learning at all times
- Let the teacher, teach and the learner, learn.

Show respect:

- I will be focussed on the speaker and show my understanding by participating in the learning.
- I will allow others to express their own understanding of the learning.
- I will encourage my peers to be successful in the learning.

Act Responsibly:

- I will ask for assistance when needed to complete tasks.
- I will ensure that the tasks are completed in the given timeframe.
- I will complete all tasks neatly and with pride.
- I will be on time for all learning situations.

Be Safe

- I will have all my own resources to complete my tasks.
- I will adhere to classroom expectations and routines.
- I will demonstrate sensible and appropriate behaviour at school and in the wider community.
