“Confident, connected, actively involved, lifelong learners”

Thursday 3 March 2016

Tena koutou katoa. Greetings to you all.

Whanau Hui (Open Day)

Despite the weather we had an excellent turn out of parents and whanau. Thank you to everyone who was able to come along. Thank you also to all those parents who filled in the Survey Form. If you took the form home to complete, please send it back to school as soon as possible.

If you were unable to attend on Saturday, your child will bring a survey home for you to complete. The information and feedback you give us is invaluable. It enables us to focus on the curriculum which gives our students the best education that we can.

Every Survey Form returned will go into a draw for special hamper.

Room 8 Mosaics

Room 8 have been busy this week working on their special art work – Mosaic mirrors. The mirrors are stunning. Some of them may even be available for sale. Contact Mrs Hall in Room 8 if you are interested.

Positive Behaviour for Learning (PB4L)

At Kaitaia Intermediate School we develop positive relationships and become successful learners by:

- Staying, *safe*
- Showing *respect*, and
- Being *responsible*

Last week's 'Gotcha' winners were:

Hamish Finlayson	Room 2
Diva Marinkovich	Room 8
Alyssa-Jane Vemoa	Room 9
Jarhzeiquah Lundon-Pederson	Room 9
Shane Matthews	Room 15
Te Ipo Maheno	Room 15
Nabaya Qauqau	Room 16

Our lucky PB4L winners

The PB4L focus for week 5 and 6 is 'Using the Correct Recycle Bin - Sit while eating':

Be Responsible

- Put all rubbish in the correct recycle bin

Show respect

- Show respect for the school and the environment by recycling

Be Safe

- Sit while eating all kai

Immunisation Talks 9 March

This year the Northland DHB, through the Public Health nurses offer students the opportunity to have the Year 7 Boostrix vaccination and the Year 8 girls HPV vaccination at school. The talks for these will be after lunch on Wednesday 9 March at 2 p.m. The Year 7 students will be spoken to first and then all the Year 8 students. Parents are most welcome to come along. The students will be given a form to take home so parents can choose whether or not to utilise this opportunity. Please return the form to school with the choice made. Contact Raiha Matthews at 021 742158 should you like any further information.

BOT Upcoming Elections

The national BOT elections will be taking place next term. We always need good people on the BOT to continue to carry on the excellent work that they do. Now is a good time to consider how you can contribute positively to your child's education.

Kaitaia Intermediate School is well resourced with exciting academic and cultural programmes in place. Stability and continued growth will benefit your children (our students) in the future. To ensure this, the Board of Trustees is inviting interested parents / caregivers / members of the community to learn about and assist with the governance of the school. If you would like to know more about being a Board of Trustees member please phone me on 408 1490 or alternatively come along to the next or any of the BOT meetings. The next meeting is Wednesday 16 March.

Helmets – for Bikes, Scooters and Skateboards

The students must wear a safety helmet if they are riding a bike, scooter or skateboard to school. As 'staying safe' is one of our PB4L expectations every student needs to ensure that they do everything they can to ensure they stay safe.

Maths Buddy

A reminder that if you wish your child to be part of the "Maths Buddy" programme, an on-line teaching and learning programme which will assist in the Mathematics education of your child, you need to fill out the form which was given to your child or contact the office if you wish to register. This programme will be used at school and can be used anywhere where there is internet. The cost to use this programme is \$20/year.
