Final assembly for 2016 is being held tomorrow Wednesday 14 December at 11.30 a.m. This is our chance to celebrate the students' achievements and farewell the Y8's moving on in 2017.

The end of year Reports will be handed out after the assembly. If you would like to speak to your child's teacher about the report please contact them to make an appointment.

2016 School Magazine

It is great see so many students ordering their copy of the School Magazine. The magazines are \$10.00 and can be ordered from the front office. The magazines will be handed out to those who have purchased them immediately after the prize giving. The magazine is a great record of the year. So don't miss out - order your copy now as we have limited numbers available.

The Tooth Brushing Project

'The tooth brushing project has proven to be a huge success. There is less decay in the Kaitaia Intermediate School students' teeth, who have taken part in the tooth brushing project when compared to students of the same age from other schools, who have not been part of a brushing programme. Well done students, teachers and all of those who have been involved!

We are keen to keep the programme running in 2017!'
