School Values

At Kaitaia Intermediate School we have four school values. They are...

Safety, Responsibility, Respect and Excellence.

These values help us all to work and learn together in a positive and successful way. During the next few weeks teachers will work with students to develop an understanding of the values and the importance of them in our kura. We acknowledge and celebrate students demonstrating these values through the giving of 'Gotcha' vouchers. These vouchers go into a fortnightly draw and students whose names are drawn out receive a reward.

Swimming

Swimming is part of the school curriculum and we expect all the students to participate. Our pool is also open to all children at lunchtime for swimming. Please ensure your child has a swim cap and all items are labelled. Caps are available for sale in our office for \$5.00.

Kaitaia water restriction level 3

Water restriction has been put in place which could affect school activities and events such as swimming sports.

Chromebooks

For those that have taken up the time payment options with the 20/20 Trust your regular weekly

contributions should be set up and making these payments now. If you haven't already, can you ensure these commence as soon as possible.

Visitors to KIS

Friendly reminder: **ALL** parents and visitors must report to the office first. We will encourage you to scan our QR Code as well as signing in with our Vistab device. This is a Health and safety procedure. Thank you for your support.

Lunches in School

Every day a different meal is provided. There is a cycle of 4 weeks. If parents are interested in knowing ahead of time what their child will be given, you are welcome to call into the school and view the menu. There will be a survey done after the first 4 weeks to get feedback from the children.

School Buses

Just a reminder, that if you need your child to catch a bus they don't usually ride, the bus company does need to know by 2 p.m. There is a \$5 charge per ride for the Petricevich buses. The payment can be made directly to them: **06-0145-0083695-00**

Whānau Day - Open Day @ KIS

We are holding a whānau Hui on Saturday 27 February. The day will start at 10 a.m. and conclude at 1 p.m. This is to enable parents/caregivers /whānau to visit the school and meet their child's teacher in the classroom. The beginning of the year reports will also be handed out at this time. There will be a complimentary barbecue organised.

The technology teachers will also be available to meet within their classrooms. This will be an ideal opportunity for you to have a look through the technology block. This day will count as a school day and your child will need to attend with an adult to be marked present. If you are unable to attend, please make contact with your child's teacher to discuss your child's progress thus far and to receive the Term 1 report.

Roundabout update

Over the next couple of months, NZTA will be working on a roundabout on the corner of Mathews Ave and State Highway 1. Most of the work will be done at night to reduce congestion. Just a friendly
