Seek knowledge for understanding

Tēnā koutou katoa

Students have settled into class programmes and will be starting on their overarching topic this year. We are working closely with students and whanau that need extra support for behaviour and learning.

Congratulations to all our students who participated in this year's swimming sports. It was a very successful day. Special thanks to Whaea Jaz for organising the event and also the staff for their support throughout.

Well done to Faye Clement-Beaton, Brooke & Kayla Dyer from Room 8 who will be representing Kaitaia Intermediate and their family at a tennis competition in Whangarei. Good luck girls.

Water restriction

As we are all aware, water restrictions are in place. The Ministry of Education has been working closely with school and civil defence to ensure we have water access and to ensure school remains open for instruction.

Coronavirus update 3 March

The Ministry of Health have two categories for all to be aware of:

Category 1 – travellers who have been present in or transited through countries in this category are being asked to self-isolate for 14 days on arrival – currently Iran, China, South Korea and Northern Italy. Note for Iran and China, there are also restrictions in place for who can travel to New Zealand. New Zealand citizens, permanent residents, residents with valid travel conditions and their immediate family, will still be able to come to New Zealand. Australian citizens and

permanent residents are also not subject to the travel restrictions if New Zealand is their primary place of established residence.

Category 2 – travellers from countries in this category should be aware of COVID-19 symptoms. They do not have to self-isolate if well. They should self-isolate if they develop any symptoms of concern and ring Healthline (0800 358 5453) if they develop symptoms within 14 days of departing the Category 2 country. Countries currently in this category are Hong Kong, Japan, Singapore, Thailand and Italy (noting northern Italy is in category 1)

All schools and early learning services are still in the Keep it Out phase of a pandemic plan. The preventative measures Health is encouraging schools and early learning services to practice are those of good hygiene, which include:

- Washing hands with soap and water before and after eating as well as after attending the toilet
- Covering coughs and sneezes with clean tissues or with an elbow
- Putting used tissues in the bin
- Encouraging staff and students to stay home if they are unwell

Please continue to refer to the Ministry of Health website for further information.

Positive Behaviour for Learning (PB4L)

At Kaitaia Intermediate School we develop positive relationships and become successful learners by:

- Staying, *safe*
- Showing *respect*
- Being *responsible*, and
- Striving for *Excellence*

These expectations encompass everyone who works and learns here. We have the same expectations for staff and visitors to the school as we do for the students. We also have the expectation that everyone will carry these expectations to all aspects of their lives. Our focus for weeks 6 and 7 is:

'Prepared for all learning situations'.

Yummy Stickers.

Yet again we hope to collect Yummy stickers from individual fruit and the big bags to convert to sports gear. Please send any stickers you may have to Whaea Sue in Room 2. If you get through lots of fruit I can let your child have a 'sticker page' for you to apply the stickers directly.

Water Safety Programme

On the 10th, 11th, 17th and 18th of March our students will have a Water Safety programmed delivered to our school. Each child will have two sessions. The first session is about Safe Boating and the second session is about Survival Swimming. These sessions will be done during their PE times. All students need to bring togs, towel and swim caps.

Hockey

This year we will be taking a small mixed team to the AIMS games. Practices will take place Mondays & Thursdays at lunchtime. Remind your child to bring their mouth guard - everything else is provided.
