## **Tsunami Evacuation**

We recently conducted a review of our Emergency Evacuation Procedures following the Tsunami warning issued by the Civil Defence. Whilst we were generally pleased with our response as a school overall, the review has highlighted some areas for us to address.

We would like our whanau to note the following...

1) Please ensure that your contact information as Parents/Caregivers is up to date. Please contact our school office if you change address, change contact phone numbers or email addresses.

2) A reminder that if you are collecting your child from school, please always go to the office first to sign your child out. It is important that in an off site evacuation, our buses are able to get in and out of the parking bay. We encourage parents to meet us at the evacuation location (which we are currently reviewing) and will inform families about.

3) You may find that during an Emergency Evacuation, we are unable to answer our phone. This is because all available staff have been assigned specific duties to ensure a smooth and safe evacuation process for our students and staff. We will endeavour to leave a message on our answer phone detailing Evacuation Procedures.

4) Our main forms of communication in an Emergency are

- *Our school Facebook Page*
- *School Links (Text messages)*
- *Email*

We will endeavour to update information as regularly as possible during an Emergency Evacuation.

We value and are open to receiving feedback from our school community. If you would like to provide feedback for us, in regards to the recent Emergency Evacuation, please contact our office.

## **School Buses**

Just a reminder, that if you need your child to catch a bus they don't usually ride, the bus company does need to know by 2 p.m. We need to contact them firstly to see if there is room. If they agree, there is a \$5 charge per ride for the Petricevich buses - contact our school office for details on how to pay this.

There is no cost at all for this programme and transport via buses will also be provided free of charge. Classes will be scheduled on different days to attend these lessons in Ahipara. A letter will be sent home with students today requesting parent help **(we must have 5-6 parent helpers per class for this programme to go ahead)**. Please return the bottom portion of this letter to your child's classroom teacher if you are able to help/assist/participate on the day.

## Yummy Stickers!

We will be collecting Yummy Stickers again this year. These allow us to access free sports gear, which is always appreciated by our tamariki. Please send any stickers to Whaea Sue in room 2. If you would like a 'sticker sheet' to collect and fill at home I can organise this. Stickers come individually on fruit or on the 'circle of 8' and 'square of 10' stickers which are on fruit bags and boxes. Many thanks!

### SMOOTHIES

DRINKS

Smoothies are a great option as a drink or a snack!

Try putting 1 cup of low fat milk, 3 heaped tablespoons of low fat yoghurt, a handful of ice & 1 handful of seasonal fruit into a blender. Mix thoroughly. Enjoy!

## KIS Swimming Sports

Thank you to all our staff for ensuring another successful day for all our students. Thank you to our parents for your attendance and support throughout the day.

Congratulations to our finalists who will be representing KIS in the North Zone finals to be held on Tuesday 23rd March @ Kaitaia Pool facility. An information and permission slip will be sent home with all finalists. A

special mention should be made of Kylee Tipene and Nerys Williams-Abraham who are 10 yrs old, but swam with the 11 yr old girls and placed in the top three on the day. Unfortunately their times cannot be sent forward to the zone finals until they have swum in their own age-group on Thursday. We wish them luck to be successful, second time around!
