Confident, connected, actively involved, lifelong learners who demonstrate Respect, Responsibility and form positive Relationships

Thursday 4 June 2019

Kia Ora whānau

This Friday we have organised 'Gotcha' and Tumeke assembly where we celebrate the positive behaviour of our students and recognise those that have received "Gotcha" cards during the few weeks for being safe, responsible and respectful. We also have our 'Tumeke' assembly this Friday at 2pm which acknowledges students that have continuously displayed our school expectations and values throughout this term. We have a responsibility to support each other and to be doing the right thing. It is very exciting to see students working hard to help others stay on track but still have a small number of students breaking school rules. So, my korero for term 3 with the students, and for us all is, "Be the best that you can be" "If it is to be, it is up to me" and in reflecting on who we are.

Finally, I would like to wish all students, staff and whānau a safe relaxing holiday and look forward to seeing you all term three.
