Confident, connected, actively involved, lifelong learners who demonstrate Respect, Responsibility and form positive Relationships

Term 2 Week 8

4 July 2018

Tena koutou katoa

**Ehara taku toa i te toa takitahi
Engari, he toa takitini**

My strength is not the strength of one
It is the strength of many

This morning we held our "Gotcha" assembly where we celebrate the positive behaviour of our students; and recognise those that have received "Gotcha" cards during the week for being safe, responsible and respectful. I mentioned to the assembly that we are whānau, and as such, have a responsibility to each other to support us all to be doing the right thing and to look out for and after each other. It is very exciting to see students working hard to help others stay on track.

I have challenged our students to consider the idea that people get an idea of who we are (deep inside) by way we behave. Also, that the way we behave is a reflection of who we are deep inside. I challenged the students to think about their behaviour and think about what that meant in terms of who they are deep inside, and whether that is who they want to be. A guy called John Hennan talks about our character being who we are (how we behave) when no one sees.

So, my korero for this week with the students, and for us all is, "Be the best that you can be" "If it is to be, it is up to me" and in reflecting on who we are, "Be the you you want to be". And let's as whānau support ourselves and each other do and be our best selves.

Positive Behaviour for Learning (PB4L)

At Kaitaia Intermediate School we develop positive relationships and become successful learners by:
Staying safe, Showing respect and Being responsible

This & last week's lucky winners were:

Unuhia te rito o te harakeke, kei hea te kōmako e kō? Ui mai ki ahau, 'He aha te mea nui o te Ao?' Māku e kī atu, 'He tangata, he tangata, he tangata.'

If you remove the central shoot of the flax bush, where will the bellbird find rest? If you were to ask me, 'What is the most important thing in the world?' I would reply, 'It is people, it is people, it is people.'
