## Term 2 Week 7

13 June 2018

### Tena koutou katoa

#### Our whakatauki for this week:

**He Aroha whakatō, he aroha puta mai.**

If kindness is sown, then kindness you shall receive

We have fantastic and wonderful students in our school. As I walk around the playground, talk with students, see them involved in sporting and other cultural events, and involved in helping them through issues that arise, I am continually proud of our students and warmed by their willingness to learn.

Since the beginning of the year we have noticed that our students are very settled, enjoying being at school and are working hard to demonstrate the values of the school. It has been a pleasure for me to see our students growing up into lovely young people.

As always, my door is always open to parents and whānau to come and talk about any issues that arise. So please come and korero at any time.

We are very excited about the 50th reunion of Kaitaia Intermediate School. Preparations are well on the way thanks to a wonderfully dedicated Reunion Committee who have been planning and organising the event. If you are keen to come there are limited tickets, so visit the reunion facebook page for information on registering on-line, or contact Whaea Tui in the office.

*Unuhia te rito o te harakeke, kei hea te kōmako e kō? Ui mai ki ahau, 'He aha te mea nui o te Ao?' Māku e kī atu, 'He tangata, he tangata, he tangata.'*

If you remove the central shoot of the flax bush, where will the bellbird find rest? If you were to ask me,

'What is the most important thing in the world?' I would reply, 'It is people, it is people, it is people.'
