Tēnā koutou katoa

Hooray, we made it to Level 1. Fantastic news for all of New Zealand. Congratulations to all of you who showed resilience and commitment to overcome this pandemic. What does Level 1 mean for us? We will still maintain our school break times until the end of this week and review as a school.

I would like to thank all our parents and whānau for your continued support and understanding during the different levels of Covid-19.

All our students are amazing and resilient.

Please remember:

- If your child is sick or unwell, please keep them at home and contact the school.
- All parents and visitors must sign in and out at the office as part of the 'Contact tracing register'. Please sanitize your hands.
- All visitors, students and teachers are expected to sanitize their hands when entering and exiting classrooms and buildings.
- All drinking fountains will remain off until the end of term, therefore students will need to bring their own drinking bottles. Water bottles will be supplied to students until water fountains are turned on.

Support Staff Week

I would like to thank all my support staff for their fantastic work and commitment to our school and the support they give our teachers and students. They all have a significant role to play in the operation of our school. We hope you all have a fantastic week.

Attendance

Our attendance has improved over the last week or so. We currently have 86% attendance rate.

Covid-19 Lock down Parent survey

We had a fantastic response from our whānau and parents. There was some great feedback from everyone. This survey focused on distant learning during lock down. If you have not already completed this survey please go to the link on our school facebook page or contact the office to access the online survey.

New School Court Asphalt

These school holidays, contractors will be laying a new asphalt courtyard area by the main entrance.

Positive Behaviour for Learning (PB4L)

At Kaitaia Intermediate School we develop positive relationships and become successful learners by:

- Staying, *safe*
- Showing *respect*
- Being *responsible*, and
- Striving for *Excellence*

These expectations encompass everyone who works and learns here. We have the same expectations for staff and visitors to the school as we do for the students. We also have the expectation that everyone will carry these expectations to all aspects of their lives.

PB4L Focus

Keeping Healthy & Safe in a Pandemic
