As part of developing our localised school curriculum, we have organised a teacher only day for all staff and support staff to participate in. There will be no school for students.

Principal Pay Negotiations

NZEI Paid Union meeting

Wednesday 14 August @ KIS.

Primary and Intermediate principals are heading into paid union meetings to vote on a new collective agreement proposal. We all need to support each other. School principals stood strong for a fair settlement for teachers and we know they'll be speaking out for support staff as negotiations progress. Now let's unite as school communities to show support for our principals.
