We should work together for the well-being of everyone.

We had a beautiful first day back last Thursday welcoming students. Everyone seemed happy to get back into routine (including staff!) Last Thursday and Friday were spent reconnecting by socializing, playing and having fun while getting acquainted with our new routines. We also had an emphasis on being thankful to those who helped us during lockdown. Some very important thank you letters were sent to the Prime Minister, whanau and essential workers in our community. Well done tamariki!

As if the first day back wasn't busy enough, we had a reporter on site to interview some of our students and film what our first day back after lockdown looked like. We were a small part of a bigger piece for the 6 o'clock news on TV 1. Our superstars who were interviewed did us proud. Thank you Isabella, Pua and TeWhaiti!

School Focus - Weeks 8 and 9 Appreciating Others

-looking for the good in others and acknowledging it.

We have recently introduced Student Shout Outs - a way for students to recognise and appreciate the good in each other. Students write vouchers for each other which are displayed in our office area. Each fortnight, all vouchers will go into a draw and winners will be drawn and acknowledged.
