Tēnā koutou katoa

Me mahi tahi tātou mō te oranga o te katoa

We should work together for the well-being of everyone.

Last week was very exciting. Our whole school celebrated Te Wiki o Te Reo Maori by engaging in all kinds of activities. It was a nice way to get back into the swing of routine and school.

However this week some of our tamariki seem to be struggling. I think that during lockdown, bedtimes were extended as no one had to get up early for school (mine certainly was) but now some students are finding it difficult to function in school due to lack of sleep. We are having to deal with weepy, sleepy and noncompliant students. Please help us by ensuring that your child is well rested and ready to learn. Nga mihi
