We should work together for the well-being of everyone.

Welcome to Term 4.

I would like to officially inform you that I will continue to be Acting Principal this term and that Ange Wikitera will continue to be Acting Deputy Principal this term.

Unfortunately we had an incident on our play structure during the holidays so it has had to be removed. We had a Blessing at the school involving our local iwi. Thank you to all the wonderful whānau from Te Rarawa and Ngāi Takato who came to help us out. Work is underway at putting up a new play structure. Thank you Mr Matthews and our Board of Trustees for taking such swift and decisive action. Thank you Mr Beran for all of your hard work in removing our play structure on short notice. You definitely went above and beyond for our kura this holiday.

We did not expect to be back at Level 3 again and shortened our already short term. Hei aha, we will make the most of the time we have.

KIS Fortnightly Focus - Weeks 1 & 2

'Striving for Excellence'

This means doing the best we can in all areas of school life. This is particularly important this term with End of Year Assessments and Reports and finishing our school year in a positive and productive way.

Buses

The Ministry of Education has recommended that students 12 years and older wear face masks on the bus. They also encourage younger students to wear masks as well. At Level 2, our kura is considered one bubble but when our tamariki are on the bus, our students are mixing with other students from other schools and other bubbles.
