Principal Kōrero

Tēnā koutou katoa

Me mahi tahi tātou mō te oranga o te katoa

We should work together for the well-being of everyone.

Term 4 Week 2 and here we are, still in the midst of our Covid dramas. We have had to re-evaluate some of our Term 4 activities. Some activities have been cancelled and some have been modified.

Year 6 Orientation/Powhiri

Unfortunately we will not be able to have our annual Year 6 Powhiri/Year 6 Orientation this term. Instead, we will have a powhiri for all of our new Year 7s on the first day of school on February 1st 2022.

End of Year Prizegiving

We can still have this event, however, aroha mai, we can not have any whanau present. Instead we will livestream the prizegiving and ensure that there are photos taken with students who receive prizes.

Year 8 Ball

This was very, very close to being cancelled. Very close. However, since all of our camps have been cancelled and AIMS and many other activities have been cancelled, our staff have decided to persevere to ensure that this event can carry on safely. Only our eligible Year 8 students will be allowed to go. No whanau will be allowed in the hall. We will set up a drop off place in our car park monitored by staff where students can be dropped off and whanau stay in their car. Please take any whanau photos at home. We will sort out the photography at the ball. More information is to come. However please note that if we find ourselves with more restrictions then it will have to be cancelled.

Hopefully things will get back to normal soon.

Safety Notice When Coming to School

Any whanau coming to school to drop off items to their children need to come directly to the office. A member of staff will deliver your items. Please wear a mask on our premises and sign in at the office. Thank you.

KIS Fortnightly Focus - Weeks 1 & 2

'Striving for Excellence'

This means doing the best we can in all areas of school life. This is particularly important this term with End of Year Assessments and Reports and finishing our school year in a positive and productive way.

Buses - Face coverings on school transport at all alert levels

Everyone 12 years and older legally must wear a face covering on school transport services (both Ministry and regional council-operated) at all alert levels unless they have an exemption. The Ministry of Education also encourages younger students to wear masks as well. At Level 2, our kura is considered one bubble but when our tamariki are on the bus, our students are mixing with other students from other schools and other bubbles.
