From tomorrow, Tuesday 7th September at 11:59 p.m. we will move to Alert Level Two. Schools have been granted some additional preparation time in order to be ready for Alert Level Two and a safe return to school.

Our school will be welcoming back students on Thursday 9th September.

We are currently working with the Ministry of Education to ensure that we have everything in place and are fully prepared for students to return on Thursday.

We plan to update our school community tomorrow, and provide further details about the systems and processes we'll be putting in place to ensure the safety of everyone.

In the meantime, please take care of each other.

Kind regards

Allanah Quinn
Acting Principal
