We hope everyone is safe and well.

A quick update from us as we are now in Alert Level Three.

As you are aware, school is still closed, except for students of essential workers.

From Monday, we have a small number of students who will be attending school and a small number of teachers who will be supervising the learning of these students.

Please note the school is open to these students and teachers only. School grounds, the playground and buildings remain closed to the public at this point.

We wish you all a safe and happy weekend and we'll be in touch again on Monday, once we have an update from the government.

Kind regards

Allanah Quinn

Acting Principal
