IMPORTANT ANNOUNCEMENT - TERM FOUR BEGINS AT KIS ON THURSDAY 21ST OCTOBER

Kia Ora Whanau

We hope you are all well.

The government has announced today that Northland is to move to Alert Level Two at 11:59pm on Tuesday the 19th October.

The Ministry of Education has granted schools some additional time to prepare for the return of students, given that we have been in Level Three since Friday of the first week of holidays and have not been able to be on site to prepare.

This means that the first day of school for Term Four for Kaitaia Intermediate School students will be this Thursday the 21st October. We very much look forward to welcoming back our students on Thursday.

At this stage, lunch will be provided, however we do encourage all students to bring some snacks for morning tea, and a filled water bottle please. We've noticed a number of our students are coming to school without water. It is essential they are hydrated so please ensure they have a water bottle (which they will be able to refill during the day when required).

We are still awaiting some information from the Ministry around students travelling on buses needing to wear masks and we will update you regarding this and anything else required as we are informed.

If you do have any queries, please email office@kaitaiaint.school.nz. We will be checking emails regularly and will respond as soon as possible.

Kind regards

Allannah Quinn
Acting Principal
